## About Total Trims

Total Trims has started its journey in the field of readymade garments and apparels industries in 2015. Total Trims has established with a view to provide backward linkage support to the country's rapidly growing export oriented readymade garments and apparels industries. The factory is operated with the ultra modern machineries and uncompromising attitude towards quality.

Total Trims is committed to provide quality accessories to our valuable patrons for their utmost satisfaction. Total Trims is a manufacturer and supplier of garments trimmings and accessories. The factory of this trims producer is located at Hemayetpur, Savar, Dhaka, Bangladesh and the head office located at Paltan Tower, Paltan, Dhaka, Bangladesh.

Total Trims run and guided by highly trained and skilled resourceful professionals. People who are taught and trained to share the vision and values of the company demonstrated high level of commitment and integrity towards quality and essentially rise to the expected levels of all our customers.

Total Trims has come into being in an honest effort to keep place with ever increasing need for the finest quality garments and apparels trimmings in Bangladesh. Our relentless effort in ensuring quality, prompt service and competitive price give us edge over other competitors working in the same arena. Total Trims reckons itself privileged and honored to serve our customer's prerequisites with absolute gratification.
